

TEACHER GRANT REQUEST FORM

2016-2017 School Year

As a teacher at AGIS, you are eligible for a \$75.00 grant from the PTA to support your classroom. Possible expenses include classroom supplies and materials, workshop fees, or similar expenditures that directly enhance your students' educational experience at AGIS.

Only ONE check, up to \$75.00, will be issued for the school year. Submitting receipts totaling less than \$75.00 will result in a payment of the lesser amount and that lesser payment will be considered payment in full. No additional payments will be made.

Reimbursement requests can be submitted throughout the school year but **must be received by April 3, 2017.** Requests received after April 3, 2017 will be returned unprocessed. Please allow approximately 7 – 14 days processing time.

Please attach copies of all receipts and place in an envelope marked "Teacher Grant" in the PTA mailbox in the office.
